All profits from the Uniform Shop are distributed back to the school via the MAPS P&C Association.

The only way to purchase Uniforms at this time is through the online store. Cash payments cannot be accepted at this time. There is no minimum order size.

Orders are packed by P&C volunteers once or twice a week and delivered to your child in their classroom. Orders are only processed during the school term.

Exchanges are accepted but items MUST be returned in the original plastic bag with all tags still attached. Please complete an exchange form (available on the school website or in the office) and bring the item/s to the school office.

Refunds can only be provided on a case-by-case basis, at the discretion of the P&C Executive Team.

Other sizes may be available as "Special Order" depending on suppliers availability. Prices may be higher for adults sizes (S, M, L)
