Dear Parents/Carers,

End of Year Fun Fair - Snack Options

Our end of year Fun Fair preparations are well under way. As an addition to all the fun activities organised, we would like to offer our students a variety of food options on the day. For a cost of $5, students will have the opportunity to purchase three (3) of the following items:

- 30g bag of fairy floss
- A bag of popcorn
- Ice blocks
- Potato chips
- 100g lolly bags
- Fruit
- Cake stall items
- Drinks - cans of soft drink, water and juice poppers.

Students will receive a wristband to show they are able to purchase any 3 of the food options available. There is a maximum of one (1) food wristband per student. As food items are purchased, teachers will mark off one symbol from the wristband to indicate how many purchases they have left. All wristbands must be pre-purchased. Students will not be able to purchase these items on the day. This alleviates students carrying money.

A large quantity of food items have been purchased, however, it may be possible that your child will not receive their first choice.

In addition to this, students will be able to pre-purchase a lunch pack, supplied by Brooke’s Canteen. These are the only lunch order options for the day and all orders will be taken by the canteen. The school will not collect money or forms for lunch orders. More information regarding lunch orders will be supplied by the canteen. The canteen will only be operating to supply lunch orders.

Students are encouraged to bring their own food, as per a normal school day, even if a wristband and lunch order has been purchased. There will be a designated lunch break during the Fun Fair.
