School Resource Payment 2019

Dear Parents and Caregivers,

In 2019, students at Mount Annan Public School will have access to a variety of resources and experiences to support educational programs. To do this, we use government funding, as well as resource payments from our families, to ensure the use of up to date and engaging resources in our classrooms. We appreciate the support of our community in making Mount Annan Public School a vibrant place of learning. The cost of the resource payment for each student this year has changed.

- $40 for one student
- $70 for two students
- $90 per family (of 3 more students)

Payment includes attendance at two incursions throughout the year, as well as access to curriculum needs such as novels, school magazines, picture books, technology, creative arts resources and science resources.

Please send correct payment in an envelope. If paying for more than one student, please list the full name and class of all students on the back of the slip below. If paying online, please enter ‘Resource Payment’ in the Payment Description under ‘Sales to Students’. Please note: DO NOT select voluntary contribution when paying online.

We ask for payment by Friday 29th of March, 2019.

If you require assistance with payment, or have any questions, please contact the stage supervisor through the office.

We thank you for your ongoing support of your child’s education.
