Stage 3 Human Sexuality Course 2019

This program aims to provide opportunities for students to learn and discuss issues around growing and changing. The content covers the following areas:

**Essential Questions:**
- How does my body grow and change?
- What factors influence personal and community health?

**Contributing Questions/Lesson Overviews**
1. What is self-esteem & how does it affect what I value?
2. How do I change during puberty?
3. How am I growing and changing?
4. What are the changes for boys and girls?
5. How are boys and girls expected to act?
6. What is safe and unsafe touching?
7. How can I be cyber smart?

Some lessons will be conducted in gender specific environments for student sensitivity. If you have any further questions please contact your child’s teacher.
