How do I book these tickets?
Stage 3 will be using an online ticketing system called TryBooking. Booking of tickets will be through this web-based system only. Tickets can not be booked through the school office. Disabled seating is available, please contact the class teacher to inform them of this requirement prior to the event. Due to safety, prams will not be permitted in the hall. A safe ‘pram parking’ location will be available. Online bookings will open Monday 2nd of September at 8pm and close Friday 13th September at 8pm.

Is there a ticket limit?
Each family will be able to book a maximum of 4 tickets per student per session. This is to ensure that all families have the opportunity to book tickets to see their child/ren perform over all 4 sessions. Families will not be allowed to purchase more than this ticket limit. Tickets will be monitored and if by chance more tickets are booked for a student these tickets will be cancelled. These tickets can be booked in a variety of combinations eg 4 tickets to the 12pm show or 2 tickets to the 4pm show and 2 tickets to the 6pm show etc.

What if I need more tickets?
Unfortunately, you will only be able to book 4 tickets per student in Stage Three at this time. If there are any spare tickets available after this date, they will be made available to all families to book extra tickets. We will provide more details on this process if the situation arises. Please be aware that all tickets have a number allocation on them and are linked to certain sessions therefore swapping of tickets or seat allocations will not be permitted.
